December 2022 • NEWS AND EVENTS EXCLUSIVELY FOR MEMBERS • www.kahkwa.com

Congratulations Dan on your 41st Anniversary at Kahkwa!

This year marks Dan Daub's 41st year anniversary with The Kahkwa Club. For those of you who do not know, Dan is the Assistant Superintendent of the Grounds Department. He is a graduate of both the Pittsburgh Institute of Aeronautics as well as Cornell University and started in 1981 with the Club as an assistant mechanic.

Dan is an extraordinary talent. He is able to perform all equipment maintenance, construction needs, agronomic practices and machining. Some of the fruits of Dan's labor that you see at the club include the construction of the upper putting green, the renovation and construction of the driving range, the construction of the short game facility, the earthwork, site prep, and retention pond construction for the Aquatic Center, and the construction of the restroom on #15. Dan also helped manage the successful renovation of the golf course in 2000, the USGA Women's Amateur Championship in 2004 and the USGA Women's Mid-Amateur championship in 2016.

Dan's contribution to the success of Kahkwa cannot be overstated. He is a humble man, but undoubtedly one of the most talented individuals at his position in the Country and Kahkwa should be very proud to have him. If you see Dan on the golf course, please congratulate and thank him for over 40 years of service to your Club.

Coming in 2023!

The Kahkwa Club will introduce a specially crafted beer,
Kahkwa 1893 Ale! More details to come.

The Kahkwa Club is happy to reach out to the Erie community once again this Holiday Season. As you know, Erie has a large variety of charitable organizations that need our help. This year we have chosen to support Barber National Institute.

The Barber National Institute is committed to its mission of providing the highest quality services for child and adults with autism, intellectual disabilities or behavioral health challenges and their families. They are a multi-faceted organization serving more than 6,200 individuals annually with a wide range of educational, vocational, residential and behavioral health programs.

One of the trees by the Front Desk will be decorated with tags that include a name, age, and potential gifts for some of their disadvantaged students. Please take a tag from the tree and return the gift with tag included to the Front Desk no later than Wednesday, December 14th. This will allow the Barber Center to disperse the gifts to the students before Christmas. Thank you for your support this holiday season!

Dates in December are already filling up with holiday parties! If you are planning to book a holiday party, it is recommended that you get your party on the calendar immediately. The Club can cater your event either at the Clubhouse or your home.

If you find yourself too busy to plan a party this holiday season, give the Club a call and we will help you plan your complete event.

Ross Benevolent Fund

The Board of Governors launched the Ross Benevolent Fund in the Spring of 2020, with the mission of providing support, goods and monetary assistance to individuals who have been impacted by an act of God, accident, illness or otherwise. The Ross Benevolent Fund is a separately administered organization controlled by the Club and a 501(c)(3) charitable organization. With the guidance of Club management, the Ross Benevolent Fund has allowed the Club to step in and assist employees who may have otherwise experienced hardships in their lives, and demonstrates the commitment the Club has to our employees as valuable members of the Kahkwa family. Please keep the Ross Benevolent Fund in mind as you plan any year-end charitable giving. For more information, please contact Hillary at (814) 838-1901 or hdieter@kahkwa.com.

Welcome Tommy Ridge!

Tommy started with the Club at the beginning of October as one of our Managers of the Clubhouse. Make sure to say hi and welcome him to Kahkwa when you see him!
